

Iceberg Model Comparison

Use the table below to explore 2-3 topics in the “Primarily Out of Awareness” section of the Iceberg model. Come up with generally accepted U.S. American norms on the selected topic and compare with another cultural norm on the same topic. In the third and fourth columns, record what you think might be an interpretation / evaluation each may have of the other.

	U.S. American Norm	Other Cultural Norm	Interpretation of U.S. American	Interpretation of other Culture
