

# MODIFYING THE GOLDEN RULE

“Do unto others as you would have them do unto you”

“Do unto others as they would have you do unto them”

**Directions:** Write your preferences for each of the work behaviors. Then write what you think others might prefer.

WORK BEHAVIORS	HOW I LIKE TO BE TREATED	HOW OTHERS MIGHT LIKE TO BE TREATED
Praise	<i>I like to be told when I'm doing well.</i>	<i>I'm embarrassed to be singled out for praise, especially in front of others. Tell me privately or compliment the whole team.</i>
Socializing	<i>I do not want to socialize with co-workers after work.</i>	<i>I enjoy socializing with co-workers.</i>
