*Quality Care. Quality Careers.*

St. Cloud Hospital, a 489-bed regional referral center, was named the "2009 Best Hospital Workplace" by the Minnesota Hospital Association. We strive to deliver outstanding clinical outcomes and a superior patient experience. We are seeking a full-time Inpatient Lead Coder to ensure the accuracy and completeness of inpatient clinical coding and MS-DRG assignment for compliance and proper facility reimbursement.

We offer our health care professionals a progressive culture, competitive pay, exceptional benefits and significant career growth opportunities. St. Cloud is located within an easy commute of the Twin Cities, yet without the traffic and higher cost of living.

For more information regarding this opportunity, and to apply online for immediate consideration, visit our web site (above) or call 1-800-835-6608.
