Resources for Educators

http://funschool.kaboose.com/ - Kaboose is one of the most trusted online resources for parents, caregivers and educators seeking information, resources and activities to engage and share with their students and children ages 3-11. This award-winning resource website offers more than 10,000 pages of topical content relating to parenting and education and thousands of ideas and tips to enhance the family Internet experience. It is a top choice for product reviews, crafts, family vacation planning tools, teaching tools, party planners, clip-art, contests, free downloads and much more to help parents plan their family life.

http://linerider.com/ - Line Rider was originally created by Boštjan Cadež, a Slovenian university student, in September of 2006. It almost immediately gathered a cult following and became the seventh quickest gaining keyword in Google. Since that time, the 'toy' has generated over 16 million views. Fans quickly noticed that they could create tracks, set them to music, and share them over YouTube.com. Currently, there are over 11,000 shared videos with many more to come. inXile Entertainment is extremely excited to work with Boštjan in order to reach the full potential that we feel the Line Rider application can live up to.

http://www.lynnreedy.com/ - Welcome to Reedy Technologies. This site has been designed to provide technology resources to educators. Its focus is to assist teachers in the integration of technology across the curriculum. Lots of SMART material.

http://a60sectech.podbean.com/ - In this :60 Sec Tech you will see how you can use the new Smart Technologies Document Camera from within the Smart Notebook v10 software.
