The above general education requirements, except for #10 religious studies and #11 upper division writing, can also be met by an AA degree from a Minnesota college or the Minnesota Transfer Curriculum.

### Additional Nursing Requirements to be Completed Prior to Applying to the Major:

- 2 year Health Care Provider or Professional Rescuer CPR certification.
- Required Health Immunizations.
- Nursing Assistant course followed by current State Registration as a CNA (Certified Nursing Assistant)

---

* These courses or their equivalent are required either prior to entry into the Nursing major, or concurrently with NSG 2200.

** Students must complete BIO 2110 in order to enroll in NSG 2200.

+ Students only need to complete PSY 2335 or PSY 3331, they do not need to complete both courses.

^ BIO 3020 must be completed in the same semester it was started and before junior spring semester.
