Communication: Written	Courses that do not have a transfer equivalency or substitution must be completed at The College of St. Scholastica.

General Education Requirements

In addition to completing the courses required for the major, students must also complete The College of St. Scholastica's General Education requirements referred to as Veritas. The Veritas requirements for transfer students are noted below.

Foundations courses: First Year Composition, Interpersonal Communication, Math (met with CIS 1001 in the major)

Conceptions and Integrations courses: Natural Science, History, Literature, Fine Arts, Religious Studies, Social Sciences, Philosophy, and the Open Pathway (met with MGT 3150 in the major)

Students may transfer in much of the coursework for Veritas, however, they must complete two Integrations courses at The College of St. Scholastica (CSS). Integrations courses are upper division courses that are intended to be writing intensive. MGT 3150 in the major will fulfill one of the Integrations course requirements. One additional Integrations course must be completed at CSS and the remaining requirement can be met with approved transfer courses. General Education transfer information is available in the course notes area on the Transferology website at www.transferology.com.

The College of St. Scholastica also accepts the Minnesota Transfer Curriculum (MnTC) to fulfill the Veritas General Education requirements except for a religious studies course and one Integrations course. The religious studies requirement may be fulfilled by an approved transfer course. MGT 3150 will fulfill the Integrations requirement.

This guide applies to the 2018-2019 academic year and is subject to the transfer policy noted in the college catalog in effect at the time of admission to the College. Please note that students admitted as first-year students must also complete the Dignitas requirement.

About The College of St. Scholastica's Accounting Program

The accounting program prepares students for careers in public accounting and corporate accounting. Our B.A. in Accounting program prepares students, and prepares them well, to sit for the CPA exam.

CPA Track

Students wishing to complete the CPA track are required to take a few more credits. The additional credits can be met through course transfer, elective courses, or even through taking graduate-level business classes.

Transferring to The College of St. Scholastica

The College of St. Scholastica accepts credits in transfer to satisfy major requirements as noted in this guide. Grades earned must be a C or better for transfer. To transfer credits an official transcript must be sent directly to St. Scholastica.

Career Opportunities

Employment growth in the accounting field is expected to remain strong for the next decade. Accountants are critical to the success of businesses, corporations, government agencies and non-profit organizations worldwide. Through their ability to prepare, analyze, interpret and use financial information in the process of business decision-making, accountants are highly-valued business professionals.

The Bachelor of Arts in Accounting curriculum at St. Scholastica prepares students to take the CPA or CMA examinations, and includes core business courses to understand how an accountant fits into the broader picture at an organization.

Requirements for Admission to the Accounting Program

- High school diploma or GED
- Cumulative GPA of at least 2.0 for entrance into the college

Note: Meeting minimum entrance requirements does not guarantee admission. The College may still consider applicants with a lower GPA through a special status committee; contact an admissions counselor to learn more.

St. Scholastica Graduation Requirements

- Minimum 128 semester credits earned
- Minimum 42 upper division credits (at or above the 3000 level)
- Last 32 credits taken at The College of St. Scholastica; Minimum 16 credits in the major
- Complete requirements for general education and selected major
- Achieve minimum GPA of 2.0 in the major and an overall "C" average
- Maximum number of PED credits that can count toward graduation is 8
