### Transferring to The College of St. Scholastica

The College of St. Scholastica accepts credits in transfer to satisfy major requirements as noted in this guide. Grades earned must be a C or better for transfer. For an evaluation of transfer credit, students must request an official transcript to be sent directly to the College of St. Scholastica.

## Requirements for Admission to the Psychology Major

- High school diploma or GED
- Cumulative GPA of at least 2.0 for entrance into the college

## Requirements for the Bachelor's Degree

The following minimum College requirements must be met for the bachelor's degree:

- Satisfactorily complete a minimum of 128 semester credits including:
  - Minimum 42 upper division credits (at or above the 3000 level)
  - The last 32 credits before graduation must be earned at The College of St. Scholastica.
  - A minimum of 16 credits must be earned in a major field at The College of St. Scholastica.
  - All general education requirements must be met
  - All major requirements must be met
  - The maximum number of physical education credits that can count toward graduation is 8.
- Achieve a minimum overall GPA of 2.0 (Please note that minimum GPA requirements for applying to graduate programs may be higher – consult with an admissions counselor or review the current online admissions information to determine the minimum GPA requirements for application to your program of interest.)
