About The College of St. Scholastica's Management Program

Successful managers in all walks of life share certain characteristics. Strategic thinking, effective communication and applying creative solutions to complex business problems are among these characteristics.

The B.A. in Management program at St. Scholastica develops these skills and also teaches students specialized business skills such as human resources management, business strategy and effective decision-making.

The College of St. Scholastica's Management Program Benefits

- Designed for busy students who are balancing work, school, and personal commitments
- Offered in an accelerated term format
- Students work with an advisor to design a unique degree completion plan that fits their needs
- Preparation for a career in a variety of industries
- Preparation for continued study in a graduate degree program

Healthcare Administration Concentration Available

The Healthcare Administration concentration focuses on the operational aspects of a healthcare administrator with competencies in accounting, communication, compliance, financial management, health care law, information technology and risk management.

Transferring to The College of St. Scholastica from Fond du Lac Tribal and Community College

The College of St. Scholastica accepts credits in transfer to satisfy major requirements as noted in this guide. Grades earned must be a C or better for transfer. To transfer credits an official transcript must be sent directly to St. Scholastica.

Career opportunities

Management graduates are prepared for management positions in large corporations and small businesses, have the skills to run their own business and have the educational foundation necessary for graduate studies.

Management is one of the top 10 "High demand/High pay" occupations, with an expected growth of 7 percent over the next decade (Minnesota Department of Employment and Economic Development).

Requirements for Admission to the Management Program

- High school diploma or GED
- Cumulative GPA of at least 2.0 for entrance into the college

Note: Meeting minimum entrance requirements does not guarantee admission. The College may still consider applicants with a lower GPA through a special status committee; contact an admissions counselor to learn more.
