Bachelor of Arts Degree in Accounting

About The College of St. Scholastica's Accounting Program

Our B.A. in Accounting program prepares students, and prepares them well, to sit for the CPA exam. In 2012, of all the exam sections taken by the 17 St. Scholastica students, 79.1% of those sections were passed and completed, compared with the average pass rate of 49% (Sources: 2012 NASBA report and MNCPA).

The College of St. Scholastica's Accounting Program Benefits

- Curriculum prepares student to take CPA or CMA exams
- Offered in an accelerated term format
- Students work with an advisor to design a unique degree completion plan that fits their needs

CPA Track

Students wishing to complete the CPA track are required to take a few more credits. The additional credits can be met through course transfer, elective courses, or even through taking graduate-level business classes. Students can complete up to half of their MBA or M.A. in Management coursework while achieving their 150 credits at the same time.

Transferring to The College of St. Scholastica from Itasca Community College

The College of St. Scholastica accepts credits in transfer to satisfy major requirements as noted in this guide. Grades earned must be a C or better for transfer. To transfer credits an official transcript must be sent directly to St. Scholastica.

Career Opportunities

Employment growth in the accounting field is expected to remain strong for the next decade. Accountants are critical to the success of businesses, corporations, government agencies and non-profit organizations worldwide. Through their ability to prepare, analyze, interpret and use financial information in the process of business decision-making, accountants are highly-valued business professionals.

The Bachelor of Arts in Accounting curriculum at St. Scholastica prepares students to take the CPA or CMA examinations, and includes core business courses to understand how an accountant fits into the broader picture at an organization.
