General Education Requirements

In addition to completing the courses required for the major, students must also complete The College of St. Scholastica's General Education requirements referred to as Veritas. The Veritas requirements for transfer students are noted below.

Foundations courses: First Year Composition, Interpersonal Communication, Math

Conceptions and Integrations courses: Natural Science, History, Literature, Fine Arts, Religious Studies, Social Sciences (met with ECN courses in the major), Philosophy (met with MGT 3354 in the major), and the Open Pathway (met with MGT 3150 in the major)

Students may transfer in much of the coursework for Veritas, however, they must complete two general education courses at The College of St. Scholastica (CSS) that will fulfill the Integrations requirement. MGT 3150 and MGT 3354 in the major will fulfill the Integrations requirements. These courses are upper division courses that are intended to be writing intensive. Remaining general education requirements can be met with approved transfer courses. General Education transfer information is available in the course notes area on the Transferology website at www.transferology.com.

The College of St. Scholastica also accepts the Minnesota Transfer Curriculum (MnTC) to fulfill the Veritas General Education requirements except for a religious studies course and one Integrations course. The religious studies requirement may be fulfilled by an approved transfer course. MGT 3354 and MGT 3150 will fulfill the Integrations requirement.

This guide applies to the 2018-2019 academic year and is subject to the transfer policy noted in the college catalog in effect at the time of admission to the College. Please note that students admitted as first-year students must also complete the Dignitas requirement.

About The College of St. Scholastica's Business Management Program

Successful managers in all walks of life share certain characteristics. Strategic thinking, effective communication and applying creative solutions to complex business problems are among these characteristics.

The B.A. in Business Management program at St. Scholastica develops these skills and also teaches students specialized business skills such as human resources management, business strategy and effective decision-making.

The College of St. Scholastica's Business Management Program Benefits

- Designed for busy students who are balancing work, school, and personal commitments
