

**Rochester Community and Technical College**  
**Intensive Care Paramedic**  
**Health Sciences Bachelor's Completion**  
**2015-2016**

For students who have completed the A.A.S. Intensive Care Paramedic program at Rochester Community and Technical College and are planning to transfer to The College of St. Scholastica to complete a Health Sciences B.A. degree the following departmental equivalencies are provided. In addition to the major core requirements, students must also complete coursework that satisfies the CSS general education requirements. Students are encouraged to complete the Minnesota Transfer Curriculum (MnTC) prior to transfer as it satisfies The College of St. Scholastica's lower division general education requirements except for the religious studies requirement.

Rochester Community and Technical College Intensive Care Paramedic Equivalent or Substitution	B.A. Health Sciences
Minnesota Transfer Curriculum (MnTC) satisfies the CSS lower division general education requirements except for the religious studies requirement.	CSS General Education Requirements

## Bachelor of Arts Degree in Health Sciences

### About The College of St. Scholastica's Health Sciences Major

A student graduating with a Health Sciences major from The College of St. Scholastica will:

- Understand and articulate the broad relationships and connections among the disciplines studied within the school.
- Understand and apply the most basic and essential principles of at least one allied discipline.
- Knowledgeably analyze a problem germane to the allied disciplines or critically evaluate a proposition pertinent to the fields of study.
- Clearly communicate his/her analysis of a problem or evaluation of a proposition.

### Transferring to The College of St. Scholastica from Rochester Community and Technical College

The College of St. Scholastica accepts the Minnesota Transfer Curriculum (MnTC) as satisfying the College's lower division general education requirements except for the religious studies requirement. The College also accepts credits in transfer to satisfy major requirements as noted in this guide. Grades earned must be a C or better for transfer. To transfer credits an official transcript must be sent directly to St. Scholastica.

### Requirements for Admission to The College of St. Scholastica

- High school diploma or GED
- Cumulative GPA of at least 2.0 for entrance into the college

### Requirements for Admission to the Health Sciences Major

- Junior level standing
- Cumulative GPA of 2.7 on a 4.0 scale
- C (2.0) in all courses required by the major department
- Student will develop a set of professional goals
- Application to the major with approval by Dean of the School of Health Sciences

Note: Meeting minimum entrance requirements does not guarantee admission. The College may still consider applicants with a lower GPA through a special status committee; contact an admissions counselor to learn more.

### St. Scholastica Graduation Requirements

- Minimum 128 semester credits earned
- Minimum 42 upper division credits (at or above the 3000 level)
- Last 32 credits taken at The College of St. Scholastica;  
16 credits in the major
- Complete all general education requirements
- Complete all requirements for the major  
At least 36 credits in allied fields;  
16 credits in HSC-designated courses or related courses;  
16 credits of upper-division coursework
- Meet all GPA requirements for the major
