General Education Requirements

In addition to completing the courses required for the major, students must also complete The College of St. Scholastica's General Education requirements referred to as Veritas. The Veritas requirements for transfer students are noted below.

Foundations courses: First Year Composition, Interpersonal Communication, Math

Conceptions and Integrations courses: Religious Studies, Natural Science, History, Social Sciences, Literature, Fine Arts, Philosophy, Open Pathway

Students may transfer in much of the coursework for Veritas, however, they must complete two Integrations courses at The College of St. Scholastica (CSS). Integrations courses are upper division courses that are intended to be writing intensive. SWK 3360 in the major will fulfill one of the Integrations course requirements. One additional Integrations course must be completed at CSS and the remaining general education requirement can be met with approved transfer courses. General Education transfer information is available in the course notes area on the Transferology website at www.transferology.com.

The College of St. Scholastica also accepts the Minnesota Transfer Curriculum (MnTC) to fulfill the Veritas General Education requirements except for a religious studies course and one Integrations course. The religious studies requirement may be fulfilled by an approved transfer course. SWK 3360 will fulfill the Integrations requirement.

This guide applies to the 2018-2019 academic year and is subject to the transfer policy noted in the college catalog in effect at the time of admission to the College. Please note that students admitted as first-year students must also complete the Dignitas requirement.

About The College of St. Scholastica's Social Work Program

The College of St. Scholastica's Department of Social Work has been accredited by the Council on Social Work Education since 1976. Graduates are prepared for beginning professional social work practice and state licensure.

The College of St. Scholastica Social Work Program Benefits

- Accredited by the Council on Social Work Education
- Emphasizes core professional values of service, social justice, dignity and individual worth, relationship importance, integrity and competence
- Provides a solid grounding in the liberal arts combined with practical learning experiences, including 570 hours of required field practice
- Prepares graduates for beginning generalist social work practice, so they can effectively address individual, family group, organizational and community needs
- Students become members of the National Association of Social Workers (N.A.S.W.) in their junior year, and remain members through graduation
- Students obtaining their Bachelor of Arts degree in Social Work at St. Scholastica are eligible for advanced academic standing in many graduate schools of social work within the U.S., which often reduces graduate school curriculum requirements to one year (Students seeking advanced standing in MSW program should complete a Human Biology and Statistics course as a part of the bachelor's program)

Requirements for Admission to the Social Work Major

- Recommended 64 -74 credits
- 2.5 cumulative GPA
- 2.5 cumulative GPA in psychology, sociology, and social work courses preferred.
- Minimum of a "C" grade in all prerequisite courses.
- Application to Social Work major and acceptance into the program.

Transferring to The College of St. Scholastica

The College of St. Scholastica accepts credits in transfer to satisfy major requirements as noted in this guide. Grades earned must be a C or better for transfer. To transfer credits an official transcript must be sent directly to CSS.

Career Opportunities

Social work graduates find work within child and family service agencies, hospitals and other healthcare facilities, community action agencies, schools, child and adult protection organizations, residential treatment programs, tribal social service agencies, gerontological service programs, mental health treatment centers, criminal justice settings, developmental and mental disability services and international social work organizations. Others go on to pursue graduate study.
