Articulation Agreement
Between
Associate in Arts or Minnesota Transfer Curriculum and
Health Information Management BA
Sending institution Hibbing Community College
Receiving institution The College of St. Scholastica

Statement of Purpose:
This agreement has been entered into by Hibbing Community College and The College of St. Scholastica. The purpose of this agreement is to facilitate credit transfer and provide a smooth transition from one related degree program to another. It is further recognized that the attached appendix or appendices shall describe the program of study at Hibbing Community College required for admission eligibility to The College of St. Scholastica in the Health Information Management Program. This agreement identifies all required and equivalent courses at each institution.

Terms and Conditions of Credit Transfer:
The evaluation and transfer of earned college credits shall be in full compliance with MnSCU policies and all other State and Federal education policies pertaining to undergraduate credit transfer. Current students and graduates who have earned degrees, certificates, or diplomas from Hibbing Community College shall be eligible for credit evaluation under the terms of this agreement. Program-specific requirements and/or required courses are listed and defined in Appendix A of this agreement.

Transfer students will be held to the same standards and criteria for admission to a major degree sequence as are The College of St. Scholastica students.

Requirements that must be completed before attending The College of St. Scholastica:

- The Minnesota Transfer Curriculum or Associate in Arts with a religious studies course or equivalent (Students will be taking TRS 3311 Health Care Ethics at CSS). Students meeting this requirement will have satisfied The College of St. Scholastica’s lower division general education credit requirements.

Applicants accepted must fulfill the graduation requirements of the granting institution as identified in Appendix A.
Articulation Implementation and Agreement Review

The Chief Academic Officer or designee of each collaborating institution shall be responsible for implementing this agreement, for identifying and incorporating any changes into subsequent agreements, and for conducting a periodic review of this agreement.

Hibbing Community College is responsible for updating The College of St. Scholastica of any curriculum changes to ensure the continuation of this agreement. The faculty and appropriate administrators from each institution will meet at least once every two years or as necessary to assess all aspects of this agreement. The outcome will be the continuation of or changes to the Articulation Agreement, curriculum, and/or degree plans as necessary.

This agreement becomes effective on ______________ and remains in effect for 2 years and then re-evaluated or until terminated or amended by either party with prior written notice.
