Celebrate Your Legacy

St. Scholastica family trees are sprouting up and branching out to create deeply rooted Alumni Family Legacies.

Alumni have been registering their St. Scholastica Family Legacy (at least two family members attended CSS) since 2000. If you have a St. Scholastica Family Legacy – meaning you and at least one other relative attended St. Scholastica – tell us about it. Please take a moment to fill out this form, or just e-mail us the information (alumni@css.edu). The families are listed on our webpage, as The St. Scholastica family tree: http://www.css.edu/alumfamilytree.xml
