Missing Student Notification Policy and Procedures

Policy

This policy, with its accompanying procedures, establishes a framework for cooperation among members of the College community aimed at locating and assisting currently enrolled on-campus residential students who are reported missing. A student shall be deemed missing when he or she is absent from the College and/or has been reported missing by another individual without any known reason. All reports of missing students shall be directed to Campus Security which shall investigate each report. All students shall have the opportunity to identify an individual to be contacted by the College in case a student is determined to be missing. If a missing student is under 18 years of age, Campus Security is required to notify the parent or guardian of the missing student not later than 24 hours after the determination by Campus Security that the student is missing. The Vice President for Student Affairs and/or the Dean of Students shall have the responsibility to make the provisions of this policy and the procedures set forth below available to students.

Student Contact Information

Upon check-in to the campus residence halls, suites, or apartments, all students will have the opportunity as part of the required confidential designated emergency contact information to designate a person to notify in a missing person investigation. This information will not be disclosed outside of a missing person investigation, and is accessible by Residential Life/Housing officials and Campus Security.

Each student who files a confidential contact registration form is solely responsible for the accuracy of the contact phone number and for update of information should the confidential contact person and/or number change. A student may update information by filing a new form with the Office of Residential Life/Housing.
