Clinical Agency Discount
2015-2016

The College of St. Scholastica partners with area health care providers to be able to offer St. Scholastica students a professional clinical setting to apply theoretical knowledge to actual practice. Employees at the clinical site, who are providing professional guidance to students, may be eligible for a CSS tuition discount.

Discount Policies and Eligibility Requirements for 2015-2016

- The employee must be enrolled in an eligible undergraduate or graduate level program;
- The 50% discount on tuition can be used for up to four undergraduate or graduate level credits during Fall, Spring, or Summer semester;
- The discount, combined with other aid, cannot exceed the cost of tuition;
- The discount cannot be used in conjunction with the Benedictine Health Care Facility Employee discount or any other College discount;
- The Clinical Agency Discount and is not retroactive;
- A new discount form is required for EACH semester.
