

Financial Aid Satisfactory Academic Progress

Financial Aid Suspension Appeal Form

Satisfactory Academic Progress (SAP)

Financial Aid eligibility is based on Satisfactory Academic Progress (SAP) standards that The College of St. Scholastica's Financial Aid Office is required by the U.S. Department of Education to establish, publish and apply. At The College of St. Scholastica, SAP is defined as freshmen obtaining at least a cumulative GPA of 1.75 at the end of the first semester and a cumulative GPA of 2.00 after second semester. Sophomores, juniors and seniors must maintain a cumulative grade point average of at least 2.00. Graduate students must maintain a cumulative GPA of at least 3.00. All students must maintain a completion ratio at least 67% of all attempted credits and complete his or her program within a maximum time frame of 150% of the published program length. SAP status will be reviewed following each semester at The College of St. Scholastica.

Financial Aid Warning

If a student does not meet the minimum cumulative GPA and/or credit completion ratio, s/he will automatically be placed on Financial Aid Warning for the next semester of enrollment. Financial Aid Warning puts a student on notice that s/he will be suspended and that s/he will lose financial aid eligibility if both the cumulative GPA and cumulative completion standards are not met at the end of the warning semester. During a warning semester, a student may continue to receive financial aid provided all other eligibility requirements are met.

Financial Aid Suspension

Students who do not meet the minimum cumulative GPA and/or credit completion ratio at the end of the Financial Aid Warning semester become ineligible for governmental financial aid and will be placed on Financial Aid Suspension. Also, at the point it is determined that a student will not be able to complete a degree or certificate within the maximum timeframe, s/he will be suspended from financial aid. Provided the student is allowed to register by the academic department and the Office of Academic Affairs, s/he may attend The College of St. Scholastica and pay out of pocket or apply for a private, credit-based alternative loan that does not require a student to meet satisfactory academic progress standards. Once the minimum cumulative GPA and credit completion requirements have been met, the student may petition the Financial Aid Office to reinstate their financial aid eligibility. The College of St. Scholastica may immediately suspend a student from financial aid in the event of extraordinary circumstances, such as a student who demonstrates an attendance pattern that abuses the receipt of financial aid.

Financial Aid Appeal

A student who is unable to achieve satisfactory academic progress and is suspended from financial aid has the right to appeal. Students may appeal based on unusual or extenuating circumstances, provided they can document the circumstance and demonstrate that the barriers to academic success have been removed. Unusual circumstances that interfered with the student's ability to meet SAP standards may include, but are not limited to:

- Illness, accident, or injury experienced by the student or a significant person in the student's life
- Death of a family member or significant person in the student's life
- Divorce experienced by the student or parent
- Personal problems or issues with spouse, family, roommate, or other significant person
- Exceeding maximum time frame due to enrollment in a second undergraduate or dual degree program, as a result of changing major or application of transfer credits
- The Appeal Committee can decide if it will use the option to disclude withdrawn credits from the completion percentage based on the new allowances provided under COVID-19.

Financial Aid Academic Plan

If a SAP suspension appeal is approved, the student will be placed on an academic plan and regain eligibility for financial aid. Students are considered on probation during the first semester of an academic plan. Further, students who successfully meet the requirements of the academic plan after one semester and after each succeeding semester (but who has not met the cumulative SAP standards) are considered to be making SAP and no longer on probation. To be removed from the academic plan status, the student must meet cumulative SAP

standards. If the academic plan is not followed, the student will again be placed on suspension, ineligible for aid and may submit a new appeal.

Financial Aid SAP Suspension Appeal Process

This appeal form and supporting documentation should be **submitted within 10 days** of this notification. Appeals received after this point will receive equal consideration, provided there is a reasonable explanation for the delay.

Student Information

| | | | |
|-----------------------------------|-------|----------|-----------------|

| Name (Last, First, MI) | | | Student ID # |
| | | | |
| Street Address (include apt. no.) | | | Home Phone |
| | | | |
| City | State | Zip code | Alternate Phone |

Required Documentation

On a separate sheet of paper:

- Submit a written statement that identifies the barrier(s) that prevented you from meeting SAP requirements in the past **and** explain what has changed that will now allow you to meet the minimum SAP requirements in the future. Supporting third-party documentation from an advisor or doctor is recommended to verify the conditions and dates of the circumstances hindering your academic success and to confirm that these barriers have been removed.

Academic Plan

- By signing this form, I agree to abide by my academic plan that will allow me obtain SAP requirements. Unless otherwise notified, undergraduate students on an Academic Plan must earn a minimum 2.00 GPA and complete 100% of the attempted credits during the following semesters. Graduate students must earn a minimum 3.00 GPA and complete 100% of the attempted credits during the following semesters.

Required Signature

- Student:** By signing this form, I certify that all the information provided to qualify for student aid is complete and correct. I acknowledge that I am currently ineligible for governmental aid, and if I continue my enrollment I may need to secure alternative means to pay my bill. I will continue to be ineligible for aid until I am notified otherwise.
