

Reference Universe

This database searches the titles of articles and the indexes of print and electronic reference books the Library has, such as almanacs, dictionaries, and specialized encyclopedias.

**Note: The Library has more reference books on your topic that are not in Reference Universe, so please ask the Librarians as well when wanting to find reference books.

Accessing the Database

Go to the Library Homepage css.edu/Library

Click on the *Encyclopedias* tab at the top and then select the *Browse or search* tab at the top to find the *Reference Universe* link.

Library of The College of St. Scholastica: Encyclopedias

Welcome to the CSS Library. Please contact us if you need assistance.

The screenshot shows the library's website interface. At the top, there is a navigation menu with tabs: Home, Getting Started, Encyclopedias (selected), Books, Articles, Citation Help, Archives, and Friends. Below the menu, there is a large image of a library reading room. To the right of the image, there is a list of e-Reference collections. The 'Browse or search' tab is highlighted, and a red arrow points to it. Below this, there is a list of collections: 'Master List of Subject Encyclopedias', 'Reference Universe' (with a red arrow pointing to it), and 'Reference Universe Tutorial' (with a red arrow pointing to it). The 'Reference Universe' entry includes a brief description: 'Use Reference Universe to search the table of contents & indexes of the majority our print & electronic encyclopedia collection.'

If you are off campus, when you click on the title of the database, this window will automatically pop up:

Reference Universe Homepage

Enter your topic in the search box and click on the *Search* button.

Results Page

Click on *Print* or *Online* in the left hand column to limit to encyclopedias that are either full-text online or in print in the Library.

Also in the left hand column, you can *Limit by Source* or *Limit by Topic* to see encyclopedias that are just from those publishers or on those topics.

On the encyclopedia covers, click on the *Article Titles* or *Index Entries* to see a list of the individual article titles and page numbers from that encyclopedia.

If it says *eBook*, then when you click on the *Article Titles* or the *Index Entries*, you will get links to the full text of the encyclopedia's articles.
