The following is a list of journals compiled by the FORE Library of AHIMA, along with the help of the Library at the College of Saint Scholastica and leading HIM instructors throughout the country. It represents core journals which researchers and other professionals in HIM should consult in order to assure comprehensive coverage of any project of reading or research.

For each title, there is descriptive information including ISSN, publisher, electronic links and where the title is indexed. Each entry also includes examples of article titles from recent issues of the journal.

**AHRQ Research Activities**

**ISSN:** 1537-0224  
**Publisher:** AHRQ, Office of Health Care Information  
**Published from:** 1999  
**Electronic Link:** [http://www.ahcpr.gov/research/resact.htm](http://www.ahcpr.gov/research/resact.htm)  
**Examples of Recent Articles:** “When financially vulnerable rural hospitals become critical access hospitals, patient safety improves in several areas,” “Medication monitoring advice and feedback to physicians modestly improves outpatient medication safety,” “New pill card helps patients take medications on time”  
**Indexing:** CINAHL

**American Journal of Epidemiology**

**ISSN:** 0002-9262 (Print), 1476-6256 (Electronic)  
**Publisher:** Baltimore, School of Hygiene and Public Health of Johns Hopkins Univ.  
**Published from:** 1965  
**Electronic Link:** [http://www.aje.oupjournals.org/](http://www.aje.oupjournals.org/)  
**Examples of Recent Articles:** “Toenail nicotine levels as predictors of coronary heart disease among women,” “Relation between neighborhood environments and obesity in the multi-ethnic study of atherosclerosis,” “Age-specific trends in mammographic density: the Minnesota Breast Cancer Family Study”  
**Indexing:** ProQuest Nursing and Allied Health, PubMed, SocIndex, Science Citation Index

**American Journal of Public Health**

**ISSN:** 0090-0036 (Print), 1541-0048 (Electronic)  
**Publisher:** American Public Health Association  
**Published from:** 1971  
**Electronic Link:** [http://www.ajph.org/](http://www.ajph.org/)  
**Examples of Recent Articles:** “Acceptability of an Internet-based partner notification system for sexually transmitted infection exposure among men who have sex with men,” ” Health
effects of exposure to water-damaged New Orleans homes six months after hurricanes Katrina and Rita”

**Indexing:** Academic Search Premier, ABI/Inform, Business Source Premier, CINAHL, ProQuest Nursing and Allied Health, PsycINFO, PubMed, SocIndex, many others

**BMC Medical Informatics and Decision Making**

**ISSN:** 1472-6947 (Electronic)

**Publisher:** BioMed Central (British)

**Published from:** 2001

**Electronic Links:** [http://www.biomedcentral.com/bmcmedinformdecismak/](http://www.biomedcentral.com/bmcmedinformdecismak/)

**Examples of Recent Articles:** “No paper, but the same routines: a qualitative exploration of experiences in two Norwegian hospitals deprived of the paper based medical record,” “Prospective, randomized evaluation of a personal digital assistant-based research tool in the emergency department,” ”Integration of modeling and simulation into hospital-based decision support systems guiding pediatric pharmacotherapy”

**Indexing:** DOAJ, PubMed

**BMJ (British Medical Journal)**

**ISSN:** 0959-8138 (Print), 1468-5833 (Electronic)

**Publisher:** British Medical Association

**Published from:** 1988

**Electronic Links:** [http://www.bmj.com](http://www.bmj.com)

**Examples of Recent Articles:** “Survival of extremely premature babies in a geographically defined population: prospective cohort study of 1994-9 compared with 2000-5,” “Adherence to prescribed antihypertensive drug treatments: longitudinal study of electronically compiled dosing histories,” “Different strategies for screening and prevention of type 2 diabetes in adults: cost effectiveness analysis”

**Indexing:** PubMed

**Briefings in Bioinformatics**

**ISSN:** 1467-5463 (Print), 1477-4054 (Electronic)

**Publisher:** H. Stewart Publications (British)

**Published from:** 2000

**Examples of Recent Articles:** “Interoperability with Moby 1.0—It's better than sharing your toothbrush!,” “Approaches to dimensionality reduction in proteomic biomarker studies,” “Algorithms and tools for analysis and management of mass spectrometry data”

**Indexing:** Academic Search Premier, Business Source Complete, PubMed

**CIN: Computers, Informatics, Nursing**

**ISSN:** 1538-2931 (Print), 1538-9774 (Electronic)

**Publisher:** Lippincott Williams & Wilkins

**Published from:** 2002

**Electronic Link:** [http://www.cinjournal.com](http://www.cinjournal.com)
Examples of Recent Articles: “Clinical decision support systems in nursing: synthesis of the science for evidence-based practice,” “Wireless communication role in patient response time: a study of vocera integration with a nurse call system,” “One strategy to reduce medication errors: the effect of an online continuing education module on nurses' use of the lexi-comp feature of the Pyxis MedStation 2000”

Indexing: CINAHL, PubMed, Social Sciences Citation Index

Ehealth International
ISSN: 1476-3591 (Electronic)
Publisher: International eHealth Association
Published from: 2002
Electronic Links: http://bibpurl.oclc.org/web/7084
Examples of Recent Articles: “Characteristics and reliability of online references cited in the pharmaceutical promotional brochures of Bangladesh,” “The design and evaluation of e-health intervention programs for older adults,” “Inaugurating free-roaming mobile agent (FRoMA) based secured e-health model”

Indexing: DOAJ, PubMed

Epidemiology
ISSN: 1044-3983 (Print)
Publisher: Williams And Wilkins And Epidemiology Resources
Published from: 1990
Electronic Link: http://www.iseepi.org/journals/index.html
Examples of Recent Articles: “Prior assault and posttraumatic stress disorder after combat deployment,” ”Socioeconomic disadvantage and acute coronary events: a spatiotemporal analysis,” ”Cigarette smoking and dementia: potential selection bias in the elderly”

Indexing: PubMed, Science Citation Index

Genetic Epidemiology
ISSN: 0741-0395 (Print)
Publisher: Wiley-Liss
Published from: 1984
Electronic Link: http://www3.interscience.wiley.com/journal/35841/home

Indexing: PubMed, Science Citation Index, SciSearch

Health Affairs
ISSN: 0278-2715 (Print), 1544-5208 (Electronic)
Publisher: Project Hope
Published from: 1981
Electronic Link: http://www.healthaffairs.org
Indexing: Academic Search Premier, Business Source Premier, ProQuest Nursing and Allied Health, PubMed, SocIndex

Health Data Management
ISSN: 1079-9869 (Print)
Publisher: Faulkner & Gray
Published from: 1994
Electronic Link: http://healthdatamanagement.com/
Examples of Recent Articles: “Why use electronic records?,” “Sharing the costs of e-records,” “I.T. progress at smaller hospitals”
Indexing: Expanded Academic ASAP, PubMed

Health Informatics Journal
ISSN: 1460-4582 (Print)
Publisher: SAGE Publications
Published from: 1997
Electronic Links: http://jhi.sagepub.com/
Examples of Recent Articles: “On the importance of intellectual property rights for e-science and the integrated health record,” “Homecare and the informal information grapevine: implications for the electronic record in social care,” “Group disparities and health information: a study of online access for the underserved”
Indexing: PubMed

Health Management Technology
ISSN: 1074-4770 (Print)
Publisher: Argus Business
Published from: 1994
Examples of Recent Articles: “Achieving effective biosurveillance,” “The critical link. Remote monitoring of ICU patients can save lives and decrease patient length of stay across rural America,” “RHIOs in reverse”
Indexing: Business Source Premier, CINAHL, Health and Wellness Resource Center, ProQuest Nursing & Allied Health, PubMed

Healthcare Informatics
ISSN: 1050-9135 (Print)
Publisher: McGraw-Hill
Published from: 1990
Electronic Link: http://www.healthcare-informatics.com/
Examples of Recent Articles: “Trouble at the bedside. Nurses are fed up with wireless POC applications that just aren't reliable, and they're not going to take it anymore,” “Turning crisis
into opportunity. When Christ Hospital separated from its parent, the chance to build a first-class IT organization came into focus,” ”Backbone of an EMR. The central role of pharmacy information systems comes to light in enterprise-wide IT projects”

Indexing: CINAHL, PubMed, ProQuest Nursing & Allied Health

The HIM Journal
ISSN: 1833-3575 (Electronic)
Publisher: HIMAA (Australia)
Published from: 2001

Examples of Recent Articles: “e-Consent design and implementation issues for health information managers,” “Clinical coders and decision making,” “Health information at a global level: working to support the information paradox countries”

Indexing: PubMed

IEEE Transactions on Information Technology in Biomedicine
ISSN: 1089-7771 (Print)
Publisher: Institute of Electrical and Electronics Engineers
Published from: 1997

Examples of Recent Articles: “Large-scale biomedical image analysis in grid environments,” “A sorting system for hierarchical grading of diabetic fundus images: a preliminary study,” "A spine X-ray image retrieval system using partial shape matching”

Indexing: PubMed, Science Citation Index

Informatics for Health & Social Care
ISSN: 1753-8157 (Print) 1753-8165 (Electronic)
Publisher: Informa Healthcare
Published from: 2008
Electronic Link: http://www.informaworld.com/smpp/title~content=t713736879~db=all~tab=issueslist~order=page

Examples of Recent Articles: “A case study on better iconographic design in electronic medical records’ user interface,” “Usability of a mobile electronic medical record prototype: a verbal protocol analysis”

Note: This title continues Medical Informatics and the Internet in Medicine. Please see entry for this title.

Informatics in Primary Care
ISSN: 1476-0320 (Print), 1475-9985 (Electronic)
Publisher: Radcliffe Medical Press (British)
Published from: 200u
Electronic Link: http://www.radcliffe-oxford.com/ipc
Examples of Recent Articles: “The impact of the internet on the practice of general practitioners and community pharmacists in Northern Ireland,” “Developing an Electronic Social
Care Record: a tale from the Tyne,” “Achieving benefit for patients in primary care informatics: the report of a international consensus workshop at Medinfo 2007”

**Indexing:** Academic Search Premier, PubMed, Science Citation Index

### Information Management Journal

**ISSN:** 1535-2897  
**Publisher:** Association of Records Managers & Administrators  
**Published from:** 1999-  
**Electronic Link:** [http://www.arma.org/imj/index.cfm](http://www.arma.org/imj/index.cfm)  
**Examples of Recent Articles:** “Strategies for merging recordkeeping systems,” “Digital conversion projects: a decision-making checklist,” “Criteria for evaluating RFID solutions for records and information”  
**Indexing:** Academic Search Premier, Business Source Premier, Expanded Academic ASAP

### International Journal for Quality in Health Care

**ISSN:** 1353-4505 (Print)  
**Publisher:** Oxford University Press  
**Published from:** 1994  
**Examples of Recent Articles:** “Rationing of nursing care and its relationship to patient outcomes: the Swiss extension of the International Hospital Outcomes Study,” “Effect of crew resource management training in a multidisciplinary obstetrical setting,” “An international review of projects on hospital performance assessment”  
**Indexing:** PubMed, Science Citation Index

### International Journal of Epidemiology

**ISSN:** 0300-5771  
**Publisher:** Oxford University Press  
**Published from:** 1972  
**Electronic Link:** [http://ije.oupjournals.org](http://ije.oupjournals.org)  
**Examples of Recent Articles:** “Health insurance and cervical cancer screening among older women in Latin American and Caribbean cities,” “Systematic differences in treatment effect estimates between propensity score methods and logistic regression,” “Hormone therapy and the rise and perhaps fall of US breast cancer incidence rates: critical reflections”  
**Indexing:** ProQuest Medical Library, PubMed

### International Journal of Medical Informatics

**ISSN:** 1386-5056 (Print)  
**Publisher:** Elsevier Science Ireland Ltd  
**Published from:** 1997  
**Electronic Link:** [http://www.elsevier.com/wps/find/journaldescription.cws_home/506040/description#description](http://www.elsevier.com/wps/find/journaldescription.cws_home/506040/description#description)  
**Examples of Recent Articles:** “New e-service development in the homecare sector: Beyond implementing a radical technology,” “Positive effects of electronic patient records on three
clinical activities,” “Determinants of Internet use as a preferred source of information on personal health”

Indexing: Academic Search Premier, PubMed, Science Citation Index

JAMA: The Journal of the American Medical Association
ISSN: 0098-7484 (Print), 1538-3598 (Electronic)
Publisher: American Medical Association
Published from: 1960
Electronic Link: http://jama.ama-assn.org/
Examples of Recent Articles: “Spending on medical care: more is better,” “Introducing spirituality in medical care: transition from hopelessness to wholeness,” “Genetic susceptibility to cancer: the role of polymorphisms in candidate genes”
Indexing: Academic Search Premier, CINAHL, PubMed, SocIndex

Joint Commission Journal on Quality and Patient Safety
ISSN: 1553-7250
Publisher: Joint Commission Resources
Published from: 2005
Electronic Link: http://www.jcrinc.com/
Examples of Recent Articles: “Recruitment of hospitals for a safety climate study: facilitators and barriers,” “Can patient safety be measured by surveys of patient experiences?,” “Improving the documentation of vital signs: a business reengineering efficiency study”
Indexing: PubMed

Journal for Healthcare Quality
ISSN: 1062-2551 (Print)
Publisher: National Association For Healthcare Quality
Published from: 1992
Electronic Link: http://www.nahq.org/journal/
Examples of Recent Articles: “A novel error-reporting tool in pediatric intensive care,” “Spreading improvement strategies within a large home healthcare organization,” “Factors affecting electronic health record adoption in long-term care facilities”
Indexing: CINAHL, PubMed

Journal of AHIMA
ISSN: 1060-5487 (Print)
Publisher: American Health Information Management Association
Published from: 1991
Electronic Link: http://www.ahima.org/journal/
Examples of Recent Articles: “Coding in long-term care hospitals. How Medicare distinguishes LTCHs from other providers,” “Defining and disclosing the designated record set and the legal health record,” “Harmonization destination. HISPC at work on privacy and security solutions for data exchange”
Indexing: CINAHL, PubMed
Journal of Biomedical Informatics
ISSN: 1532-0464 (Print), 1532-0480 (Electronic)
Publisher: Elsevier
Published from: 2001
Electronic Link: http://www.sciencedirect.com/science/journal/15320464
Examples of Recent Articles: “A method to evaluate skill transfer and acquisition of obstetric gestures based on the curvatures analysis of the position and the orientation,” “A new framework for the selection of tag SNPs by multimarker haplotypes” “Modeling the distribution of Nursing Effort using structured Labor and Delivery documentation”
Indexing: Biological Abstracts, CINAHL, Health and Wellness Resource Center, PubMed,

Journal of Clinical Epidemiology
ISSN: 0895-4356 (Print)
Publisher: Elsevier
Published from: 1988
Electronic Link: http://www.elsevier.com/locate/jclinepi
Examples of Recent Articles: “Rate-difference method proved satisfactory in estimating the influenza burden in primary care visits,” “Loss to follow up did not bias associations between early life factors and adult depression,” “Register-based study among employees showed small nonparticipation bias in health surveys and check-ups”
Indexing: Academic Search Premier, Health and Wellness Resource Center, PubMed, Science Citation Index

Journal of Epidemiology and Community Health
ISSN: 0143-005X (Print), 1470-2738 (Electronic)
Publisher: British Medical Assn.
Published from: 1979
Electronic Link: http://jech.bmj.com/
Examples of Recent Articles: “Problems in estimating the number of suicides by charcoal burning in Taiwan,” “Finding the real case-fatality rate of H5N1 avian influenza,” “Reproductive life events in the population living in the vicinity of a nuclear waste reprocessing plant”
Indexing: Health and Wellness Resource Center, PubMed, SocIndex

Journal of Healthcare Information Management
ISSN: 1099-811X (Print)
Publisher: Jossey-Bass Publishers
Published from: 1998
Electronic Link: http://www.himss.org/ASP/publications_jhim.asp
Examples of Recent Articles: “Measuring and monitoring IT using a balanced scorecard approach,” “Clinical decision support systems and how critical care clinicians use them,” “Implementation of an obstetrics EMR module: overcoming user dissatisfaction”
Indexing: PubMed
Journal of Healthcare Management
ISSN: 1096-9012 (Print)
Publisher: Foundation of the American College of Healthcare Executives
Published from: 1998
Electronic Link: http://www.ache.org/pubs/jhmsub.cfm
Examples of Recent Articles: “Rural hospitals and Spanish-speaking patients with limited English proficiency,” “Clinical documentation systems: another link between technology and quality,” “Mentoring junior healthcare administrators: a description of mentoring practices in 127 U.S. hospitals”
Indexing: Academic Search Premier, CINAHL, Health and Wellness Resource Center, PubMed, ProQuest Nursing & Allied Health

Journal of Medical Internet Research
ISSN: 1438-8871 (Electronic)
Published from: 1999
Electronic Links: http://www.yi.com/jmir/
Indexing: DOAJ, PubMed

Journal of the American Medical Informatics Association
ISSN: 1067-5027 (Print), 1527-974X (Electronic)
Publisher: W.B. Saunders
Published from: 1994
Electronic Links: http://www.jamia.org
Examples of Recent Articles: “Preliminary development of the physician documentation quality instrument,” “Lessons from implementing a combined workflow-informatics system for diabetes management,” “Turning off frequently overridden drug alerts: limited opportunities for doing it safely”
Indexing: CINAHL, PubMed

Medical Informatics and the Internet in Medicine
ISSN: 1463-9238 (Print)
Publisher: Taylor & Francis
Published from: 1999-2007
Electronic Link: http://www.tandf.co.uk/journals/online/1463-9238.asp
Examples of Recent Articles: “Addressing the need for adaptable decision processes within healthcare software,” “Electronic health records: is the evidence base any use?” “Mobile healthcare informatics”
Indexing: PubMed
Note: This title has been changed to Informatics for Health & Social Care. Please see entry under this title.
Medical Records Briefing
ISSN: 1052-4924
Publisher: HcPro
Published from: 1986
Electronic Link: http://www.hcmarketplace.com/prod-140.html
Examples of Recent Articles: “Analyze impact of OPPS final rule on your facility,” “Provide charts, online tools to help staff follow your organization’s abbreviation guidelines,” “Don’t neglect forms management during EHR prep.”

Methods of Information in Medicine
ISSN: 0026-1270 (Print)
Publisher: F K Schattauer Verlag
Published from: 1962
Examples of Recent Articles: “An overview and analysis of theories employed in telemedicine studies. A field in search of an identity,” “Patient privacy protection using anonymous access control techniques,” “Mobile health and wellness application framework”
Indexing: PubMed, Science Citation Index

The New England Journal of Medicine
ISSN: 0028-4793 (Print), 1533-4406 (Electronic)
Publisher: Massachusetts Medical Society
Published from: 1928
Electronic Link: http://content.nejm.org/
Examples of Recent Articles: “Effect of cost sharing on screening mammography,” “Cortical arousal in children with severe enuresis,” “Images in clinical medicine. The aorta in osteoporosis”
Indexing: Academic Search Premier, CINAHL, Health and Wellness Resource Center, ProQuest Nursing & Allied Health, PubMed

Online Journal of Nursing Informatics
ISSN: 1089-9758
Publisher: OJNI Corp.
Published from: 1997
Electronic Link: http://www.ojni.org/
Examples of Recent Articles: “Preparing nurses on-line to work off-line: experiences gained from teaching final year undergraduate nursing students in Ireland,” “Implementing Transformational Leadership as a Model for Service Learning Activities in an Online RN to BSN Leadership Course”
Indexing: CINAHL, DOAJ

Perspectives in Health Information Management
ISSN: 1559-4122 (Electronic)
Publisher: American Health Information Management Association
Published from: 2004
Electronic Link:  http://www.ahima.org/perspectives
Examples of Recent Articles:  “Evaluating distance learning in health informatics education,” “Mentoring health information professionals in the Department of Veterans Affairs,” “Using Wiki in an online record documentation systems course,” “SNOMED CT survey: an assessment of implementation in EMR/HER applications”
