

JSTOR: Arts and Sciences Collection

Complete runs of hundreds of journals across a wide variety of disciplines. JSTOR serves as a digital archive of older issues. The current 5 years of the journal are “embargoed” and not available.

Accessing the Database

Go to the Library Homepage css.edu/Library

Select *Databases, A to Z* from the *Popular Links* column on the left or click on the *Articles* tab at the top.

Library of The College of St. Scholastica: Home

Welcome to the CSS Library. Please contact us if you need assistance.

The screenshot shows the library homepage with a navigation bar containing: Home, Getting Started, Encyclopedias, Books, **Articles**, Citation Help, and Archives. Below the navigation bar are three main columns:

- Popular Links:** A list of links including SOLAR, ScholastiCAT, **Databases, A to Z**, Academic Search Premier, LibGuides, Interlibrary Loan, Reserves, Distance Students, Tutorials for Library Resources, Duluth News-Tribune, Faculty Resources, Friends of the Library, and Popular Reading. A red arrow points to the 'Databases, A to Z' link.
- Ms. Dugan reads what?:** A section featuring a photo of Ms. Anne Dugan and text about the 'Faculty Read What?' series. A red arrow points to the 'Articles' tab in the navigation bar.
- Contact Us:** Contact information for The College of St. Scholastica Library, including address, phone, fax, text, email, and social media links.

At the bottom right, there is a **Library hours** section with tabs for 'Regular hours' and 'Exams & Holidays', and a note for 'Fall & Spring semesters'.

Once on Articles page, select the database you are interested either by finding it in the *Best Bets* box or else by clicking on the *Databases, A to Z* link for an alphabetical listing of all the databases the Library subscribes to. If you are on campus, you will not need a password. Look at the other tabs and boxes for more help with finding the full-text of articles, tutorials, and more.

Click on the dropdown arrow at the end of the *full-text* box to search by author, article title, abstract, or caption.

To string your terms together, click on the drop down arrow at the end of the *and* box. Choose AND, OR, NOT to broaden or narrow your search.

AND – narrows searches by combining terms. Citations must have **all** your terms to be included in results list. Ex. Shellfish AND allergy AND precautions.

OR – broadens searches by searching for all terms separately. Citations will have **either** term. Ex. Higher Education OR College

NOT – narrows searches by excluding a portion of a large topic. Citations will have the first term but **NOT** the second term. Ex. Dogs NOT Poodles, Management Styles NOT TQM

You can limit your search by type of article, a date range, language, and within a given discipline or journal.

You can narrow your search by an item type, date range, language, publication title, or discipline.

Click the *Search* button when you are done constructing your search.

Results List

Results Screen – JSTOR is unique in that any journal that is in its database is full text back to its beginnings. So all articles in JSTOR are full text. Click on the article title to view the full text. You can sort the results by relevance, newest to oldest or oldest to newest by clicking on the pull-down arrow next to *Sort by*. Click on the boxes in front of articles you are interest in. You can then save, email, export, or track these selected citations.

Click on the title of the article to get more information or the links to the right to download the full text of the article as a PDF or cite it. Use the links to the left to filter your results by content type, subject or access level.
