SOLAR

SOLAR is a database of databases. It searches all our Library resources and even some we don't own. It's a little like the old "feeling lucky" button in Google. But just like Google, or any tool, there is right time to use it. And like Google, the results can be overwhelming. Sometimes using one of our focused, discipline-specific databases can make you luckier.

Exporting Citations to EndNote

(see [instructions for EndNote](#) for information on how to use this program)

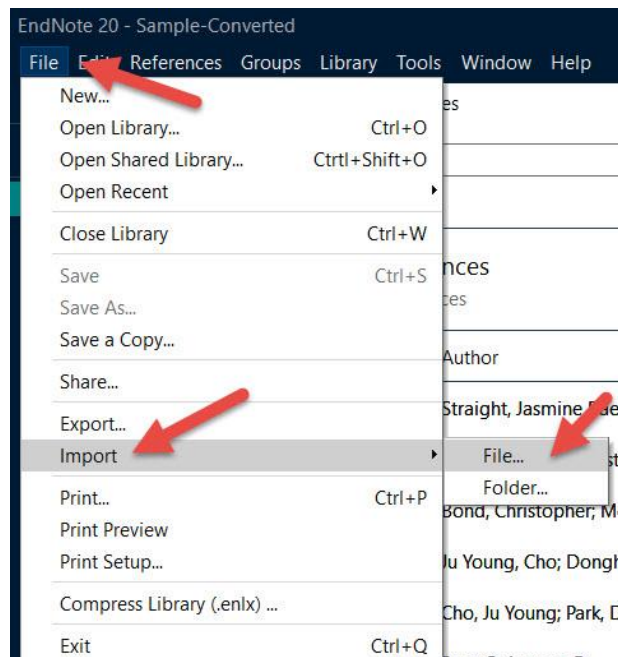

Once you are viewing an article you wish to add to your EndNote library, click on the “C” link to get this pop-up. Then click on the *EndNote/Zotero* link.

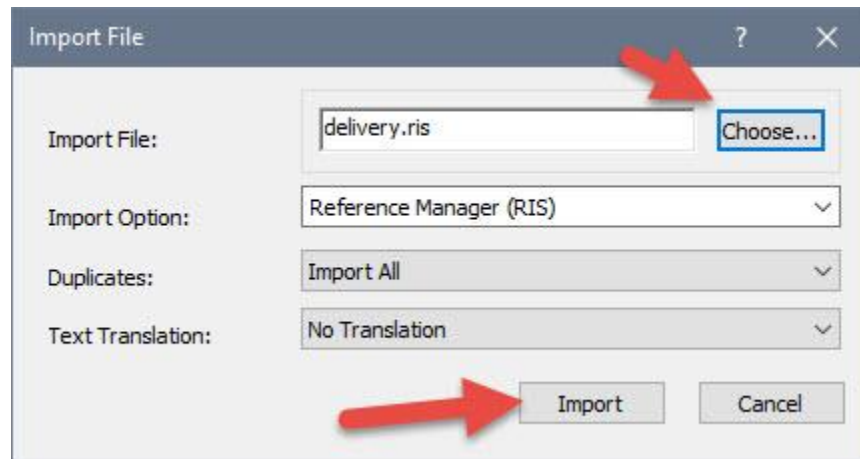

Click on the *Save* button when you have selected where you wish the file to be saved.

Open the EndNote library you wish to add the citation to and in the *File* tool bar option, select *Import* and *File...*

Click on *Choose...* to select the file you just saved and click on *Import* once you have selected it.

Your citations will now automatically be added to your EndNote library.
