

THE COLLEGE OF ST. SCHOLASTICA
COMMENCEMENT

DULUTH, MINNESOTA

Mother Scholastica Kerst, founding prioress of St. Scholastica Monastery, purchased the land that would be home to The College of St. Scholastica. “My dream, ” she said, “is that someday there will rise upon these grounds fine buildings like the great Benedictine abbeys. They will be built of stone; within their walls, higher education will flourish.”

Since the College offered its first classes in 1912, generations of dedicated faculty, staff and students have made Mother Scholastica’s dream a reality. Though the College is now independent, the Duluth Benedictines remain its inspiration.

Congratulations to the graduates who receive their degrees today. The College is proud of their accomplishments, and confident in their capability to benefit their communities and the world.

MISSION STATEMENT

Shaped by the Catholic Benedictine heritage, The College of St. Scholastica provides intellectual and moral preparation for responsible living and meaningful work.

VISION STATEMENT

The College of St. Scholastica aspires to be a diverse and inclusive academic community of excellence, grounded in the rich Catholic Benedictine heritage, sending forth thoughtful leaders sharpened and sensitized by the liberal arts, who are prepared and committed to serve and transform the world.

VALUES FROM OUR BENEDICTINE HERITAGE

Sharing responsibility to create and support community. Creating a climate that promotes a sense of community while valuing the uniqueness of the individual. Manifesting an ability to adapt to circumstances without compromising our values.

HOSPITALITY

Creating a welcoming atmosphere personally and institutionally. Listening and responding sensitively to all. Extending warmth and acceptance to all. Welcoming new ideas and being open to change.

RESPECT

Cherishing and promoting the worth of all human life. Treating people with dignity and reverence without regard to age, gender, race, minority, sexual preference or economic status. Honoring and supporting the spirituality of each person. Valuing the dignity of all work. Promoting the participation of all people in decisions affecting their lives.

STEWARDSHIP

Using human resources responsibly. Providing wise and respectful use of all material and monetary resources. Promoting prudent use of resources and energy. Finding time for work, play and prayer in daily life, which will promote physical, mental and spiritual growth.

VIVAT! VIVAT, ST. SCHOLASTICA! – OUR ALMA MATER

The song lyrics were written by Sister Loretta Sheehan and selected in an all-school contest in 1931. Around 1950, the melody was changed by Sister Wilfrid Jordan of the music faculty; that version was used until 2011. Gradually, the song fell from favor and was no longer sung. The Dean's Council reinstated it in 1999, but it was only used for ceremonies - primarily Convocation, Commencement, and Reunion. In 2011, a new arrangement of the song was created by Mina Kaiser in honor of the College's Centennial year. The launch of the new arrangement has been accompanied by the incorporation of Vivat St. Scholastica into more College activities.

THE HONOR SONG TRADITION

The College honors its long partnership with the indigenous community of the region. Our continuing commitment to American Indian students and communities is expressed by starting our commencement ceremony with a traditional drum song.

The drum is the center of our being and the heart of our existence. When the drum reverberates, it echoes in all corners of creation. When the songs are sung, the voices of the people are heard throughout creation. The drum is a gift of communication and prayer from the Creator.

HONORS FOR BACCALAUREATE DEGREES

A student whose cumulative grade point average is 3.75 or above graduates with highest honors (summa cum laude). These students are wearing a blue and gold honors cord.

A student whose cumulative grade point average is between 3.50 and 3.75 graduates with honors (cum laude). These students are wearing a gold honors cord.

Students achieving honors have met all degree requirements and have earned a minimum of 48 graded credits, with the exception of credits that, by program policy, are graded on a pass/fail basis, so long as at least 32 credits are graded.

THE WEBSTER SCHOLAR

The title of Webster Scholar is awarded to students who have successfully completed the requirements for The College of St. Scholastica Honors Program. These requirements include earning a B or better in the requisite number of Honors courses and maintaining an overall GPA of 3.5 or higher. Honors courses require the students to become actively involved in their own learning. The Webster award is named after Lee Webster, a much-beloved faculty member, whose untimely death from cancer deeply affected the College community. Webster epitomized the love of life and learning, and Honors Program graduates proudly bear his name.

HONORS FOR GRADUATE DEGREES

Due to the academic standards required in the graduate programs at The College of St. Scholastica, all doctoral and master's students graduate with high academic achievement.

THE ACADEMIC PROCESSION

The traditional academic procession introduces many of the more formal and significant events at St. Scholastica as it does on most college and university campuses. Although the history of wearing distinctive apparel as an indication of scholarship and academic rank dates to the Middle Ages, the practice was not adopted in the United States until around 1900.

The cap worn almost universally in academic processions is the Oxford cap, commonly known as the mortarboard. It is almost always black.

The use of a dark robe in academic processions is thought to have arisen from the clerical practice of wearing a cape or mantle in religious processions in the 12th and 13th centuries when universities developed from cathedral schools. Traditionally, gowns are also black. However, a number of universities have adopted alternate colors.

The academic hoods, worn around the neck and down the back of the gown, are lined with the official colors of the college or university that conferred the degree. A blue and gold cord identifies faculty members who have received the Max H. Lavine Award, the College's highest award for teaching excellence.

HONOR SOCIETIES

GAMMA OMICRON

Gamma Omicron recognizes students who demonstrate academic excellence, contribute to the profession of occupational therapy through their scholarships, and show promise for professional leadership.

PSI CHI

Psi Chi is the undergraduate national honor society in psychology. There are nearly 1,000 chapters at colleges and universities throughout the United States. The College of St. Scholastica was approved as a chapter in the 2000-01 academic year. Psi Chi membership criteria include a declared psychology major or minor, at least nine semester hours of psychology college courses, an overall GPA that places students in the top 35 percent of their class and at least a 3.0 psychology GPA. Students who have met the above criteria are identified by their honor society cord.

SIGMA THETA TAU INTERNATIONAL, THETA XI CHAPTER

This International Honor Society for Nursing was officially established through the Department of Nursing in 1986 with a mission of supporting learning, knowledge and professional development of nurses committed to making a difference in health worldwide. Student membership eligibility criteria include: completion of at least one-half of the nursing program curriculum; achieve academic excellence; rank in the upper 35 percentile of the graduating class; and meet the expectation of academic integrity. STTI student inductees are awarded purple and white honor cords.

SAINTS LEADERSHIP HONORS

Students who graduate with Saints Leadership Honors have completed a multi-year, four-part leadership program that explores the leaders' developing values and strengths, interpersonal skill development, and the ways that leaders can proactively impact communities and systems. Each Saints Leadership Honoree has taken concrete steps to impact systemic change to improve the world for others.

DESCRIPTION OF THE BENEDICTINE CROSS

The Benedictine Cross is four-directional, but it is contained within the circle of life, which has no beginning or end. At any point of the circumference all are equal. The crossbars reach out north, south, east and west, encompassing the whole earth, the whole universe. Our Benedictine Cross calls us to embrace all of life and to be centered in peace. It is displayed in various prominent places in the College and in the Monastery. The cross is carried forth as part of commencement's academic procession.

THE SHIELD OF THE COLLEGE

The field is blue. Upon this field is a lily, blooming with three flowers symbolizing the three Persons of the Blessed Trinity. The base of the lily is enclosed by a crescent, the heraldic symbol of the Virgin Mary, and likewise, the purity of Christian teaching. A golden crown of the medieval regal shape in heraldry encircles the lilies above, recalling the dedication of the Chapel to the Queen of Peace.

The heraldic indication of a college is always a book. Hence, a book occupies the center of the field. On its open pages is the motto of St. Scholastica. It is taken from the third chapter of the Book of Proverbs, and in reference to Wisdom it reads: "Her ways are ways of beauty, and all her paths are peace." In keeping with the traditional Benedictine motto, "Pax," St. Scholastica has chosen the second part of the verse for her motto. It reads in Latin: "Omnes semitae eius pacificae."
