CSS MSDN AA Software Program
Department website with policies and contact information: http://www.css.edu/x9113.xml

Logging into the MSDN AA System
1. Open https://msdn01.e-academy.com/css_cis/
2. Click the Login button and enter your information
   a. Username: your CSS email address
   b. Password: Sent to you by the MSDNAA system
      *If you don’t remember your password, click the forgot password link and enter your email address. The system will send your password in an email to you.*

Ordering Software
3. On the Software page, you will see icons in the bottom portion of the most commonly requested titles. You may click these to get more information. If you don’t see the title you’d like, try searching or using the drop-down list at the top of the page.

4. To order software, select one of the options at the bottom of the product detail’s page then click the Add to Cart button:

   ![Software Interface](image)

5. You may continue shopping for other software. Once you are finished, click the View Software link on the left side of the page. Review your selections and if you are satisfied, click the Check Out button.

6. On the next page, you will be prompted to enter your customer information.

7. Finally, you should see your order details. By clicking the software title, you will be able to see the product key to install your software.

Retrieving Product Keys
If you need to get your product keys at a later date, log back in and then click the My Software link on the left side of the screen. Select the software’s invoice number to see the details. Click on the product name on the details screen to view the product key located in the Serial Number field.
