

**Articulation Agreement**  
Between  
**Health Information Technology A.A.S. and Health Information Management B.S.**  
Sending institution **Wisconsin Indianhead Technical College**  
Receiving institution **The College of St. Scholastica**

**Statement of Purpose:**

This agreement has been entered into by **Wisconsin Indianhead Technical College** and **The College of St. Scholastica**. The purpose of this agreement is to facilitate credit transfer and provide a smooth transition from one related degree program to another. It is further recognized that the attached appendix or appendices shall describe the program of study at Wisconsin Indianhead Technical College required for admission eligibility to The College of St. Scholastica in the Health Information Management Program. This agreement identifies all required and equivalent courses at each institution.

**Terms and Conditions of Credit Transfer:**

Transfer students will be held to the same standards and criteria for admission to a major degree sequence as are The College of St. Scholastica students.

Requirements that must be completed before attending The College of St. Scholastica to implement this agreement:

- **Associate of Applied Science degree in Health Information Technology**

Applicants accepted must fulfill the graduation requirements of the granting institution as identified in **Appendix A**.

## Articulation Implementation and Agreement Review

The Chief Academic Officer or designee of each collaborating institution shall be responsible for implementing this agreement, for identifying and incorporating any changes into subsequent agreements, and for conducting a periodic review of this agreement.

Wisconsin Indianhead Technical College is responsible for updating The College of St. Scholastica of any curriculum changes to ensure the continuation of this agreement. The faculty and appropriate administrators from each institution will meet at least once every two years or as necessary to assess all aspects of this agreement. The outcome will be the continuation of or changes to the Articulation Agreement, curriculum, and /or degree plans as necessary.

This agreement becomes effective on November 1, 2019 and remains in effect for three years and then re-evaluated or until terminated or amended by either party with prior written notice.

## **APPENDIX A**

### **Memorandum of Cooperation between Wisconsin Indianhead Technical College and The College of St. Scholastica (CSS)**

Transfer Articulation Agreement for Associate of Applied Science (A.A.S.) degree in Health Information Technology. This agreement includes specific requirements for admission into a program, outlines requirements, and indicates which courses can be used to meet program prerequisites as well as general education, major and program, and graduation requirements.

#### **Health Information Management**

##### **Admission Requirements for the Health Information Management Major at the College of St. Scholastica (CSS):**

1. Cumulative GPA of 2.7 (on a 4.0 scale) or permission from Health Information Management Department.
2. Minimum of a 'C' grade in all courses required by the major department.
3. Application to Health Information Management program.
4. Each department reserves the right to select applicants with the best qualifications from those who meet minimum criteria.

##### **CSS Bachelor Degree Requirements:**

1. A minimum of 128 semester credit hours (or its equivalent) must be earned.
2. The general education core or its equivalent must be completed.
3. The requirements of the major program selected must be completed.
4. The last 32 semester credit hours of the degree plan must be fulfilled through CSS credits.
5. 42 of the total 128 semester credits needed for graduation must be at the upper division (junior and/or senior level courses).
6. A 2.0 minimum GPA is required for graduation.
7. Maximum number of Physical Education credits that can count toward graduation is 8.
