## About The College of St. Scholastica's Business Management Program

Successful managers in all walks of life share certain characteristics. Strategic thinking, effective communication and applying creative solutions to complex business problems are among these characteristics.

The B.A. in Business Management program at St. Scholastica develops these skills and also teaches students specialized business skills such as human resources management, business strategy and effective decision-making.

## The College of St. Scholastica's Business Management Program Benefits

- Designed for busy students who are balancing work, school, and personal commitments
- Offered in an accelerated term format
- Students work with an advisor to design a unique degree completion plan that fits their needs
- Preparation for a career in a variety of industries
- Preparation for continued study in a graduate degree program

## Transferring to The College of St. Scholastica

The College of St. Scholastica accepts transfer credits to satisfy major requirements as noted in this guide. Grades earned must be a C or better for transfer. To transfer credits an official transcript must be sent directly to St. Scholastica.

## Requirements for Admission to the Business Management Program

- High school diploma or GED
- Cumulative GPA of at least 2.0 for entrance into the college

Note: Meeting minimum entrance requirements does not guarantee admission. The College may still consider applicants with a lower GPA through a special status committee; contact an admissions counselor to learn more.

## St. Scholastica Graduation Requirements

The following minimum College requirements must be met for the bachelor's degree:

1. Satisfactorily complete a minimum of 128 semester credits including:
  - Forty-two upper-division credits (numbered 3000 or above).
  - A major program as stipulated by a department or advisor.
  - Achieve a minimum GPA of 2.0 in the major as well as an overall "C" average.
2. Fulfill the residence requirement:
  - The last 32 credits before graduation must be earned at The College of St. Scholastica.
  - A minimum of 16 credits must be earned in a major field at The College of St. Scholastica.
  - Cross-registered courses may count toward residence; CLEP and Portfolio Assessment credits must be earned before the final 32 credits. (A variation on cross-registration may be available with other institutions with advisor approval. For example, students on our extended campuses might take consortium work through a partnered community college.)
3. Complete the general education requirements. Requirements for some majors are more stringent than these minimums.
4. The maximum number of physical education credits that can count toward graduation is 8.
