Health Information Management Program

The College of St. Scholastica's Health Information Management degree is designed to shape not only your career path, but the delivery of healthcare itself. Since launching its first bachelor's HIM program back in 1934 when the industry was referred to as Medical Records, St. Scholastica has remained at the forefront as medical records technology has evolved and developed. St. Scholastica offered the first bachelor's distance program, the first online master's in HIM and the first master's program accredited by CAHIIM.

The B.S. in HIM program is offered in a fully online format. The College offers curriculum options for RHIT's with experience in the field and for those with no prior HIM experience.

The College of St. Scholastica Health Information Management Program Benefits

- Esteemed faculty participate in active research and grants, bringing their experience directly to students
- Faculty helped write the HIM textbook used in many programs nationwide
- CAHIIM-accredited 100 percent online program
- Upon completion of this program, students are eligible to sit for the RHIA exam

Transferring to The College of St. Scholastica

The College of St. Scholastica accepts credits in transfer to satisfy major requirements as noted in this guide. Grades earned must be a C or better for transfer. To transfer credits an official transcript must be sent directly to the College.

Career Opportunities

The healthcare industry is booming and the use of Electronic Health Record (EHR) software nationwide has increased the need for qualified HIM professionals. The U.S. Bureau of Labor Statistics predicts a 22 percent growth rate over the next decade for HIM and related careers.

Requirements for Admission to the Health Information Management Program

- High school diploma or GED
- Cumulative GPA of at least 2.0 for entrance into the college
