

THE COLLEGE OF ST. SCHOLASTICA
COMMENCEMENT

DULUTH, MINNESOTA

Mother Scholastica Kerst, founding prioress of St. Scholastica Monastery, purchased the land that would be home to The College of St. Scholastica. “My dream,” she said, “is that someday there will rise upon these grounds fine buildings like the great Benedictine abbeys. They will be built of stone; within their walls, higher education will flourish.”

Since the College offered its first classes in 1912, generations of dedicated faculty, staff and students have made Mother Scholastica’s dream a reality. Though the College is now independent, the Duluth Benedictines remain its inspiration.

Congratulations to the graduates who receive their degrees today. The College is proud of their accomplishments and confident in their capability to benefit their communities and the world.

MISSION STATEMENT

Shaped by the Catholic Benedictine heritage, The College of St. Scholastica provides intellectual and moral preparation for responsible living and meaningful work.

CONGRATULATIONS,

VIVAT! VIVAT, ST. SCHOLASTICA! – OUR ALMA MATER

The song lyrics were written by Sister Loretta Sheehan and selected in an all-school contest in 1931. Around 1950, the melody was changed by Sister Wilfrid Jordan of the music faculty; that version was used until 2011. Gradually, the song fell from favor and was no longer sung. The Dean's Council reinstated it in 1999, but it was only used for ceremonies — primarily Convocation, Commencement, and Reunion. In 2011, a new arrangement of the song was created by Mina Kaiser and Michael Buck in honor of the College's Centennial year. The launch of the new arrangement has been accompanied by the incorporation of Vivat St. Scholastica into more College activities.

THE HONOR SONG TRADITION

The College honors its long partnership with the Indigenous community of the region. Our continuing commitment to American Indian students and communities is expressed by starting our Commencement ceremony with a traditional Honor song.

The drum is the center of our being and the heart of our existence as Indigenous people. When the drum reverberates, it echoes in all corners of creation. When the songs are sung, the voices of the people are heard throughout creation. The drum is a gift of communication and prayer from the Creator. The name of The College of St. Scholastica's drum is Odagaaki-bines (O-da-gay-k-bin-es); it means "Thunderbeing on the Hill."

DESCRIPTION OF THE BENEDICTINE CROSS

The Benedictine Cross is four-directional, but it is contained within the circle of life, which has no beginning or end. At any point of the circumference all are equal. The crossbars reach out north, south, east and west, encompassing the whole earth, the whole universe. Our Benedictine Cross calls us to embrace all of life and to be centered in peace. It is displayed in various prominent places in the College and in the Monastery. The cross is carried forth as part of Commencement's academic procession.

THE SHIELD OF THE COLLEGE

The field is blue. Upon this field is a lily, blooming with three flowers symbolizing the three Persons of the Blessed Trinity. The base of the lily is enclosed by a crescent, the heraldic symbol of the Virgin Mary, and likewise, the purity of Christian teaching. A golden crown of the medieval regal shape in heraldry encircles the lilies above, recalling the dedication of the Chapel to the Queen of Peace.

The heraldic indication of a college is always a book. Hence, a book occupies the center of the field. On its open pages is the motto of St. Scholastica. It is taken from the third chapter of the Book of Proverbs, and in reference to Wisdom it reads: "Her ways are ways of beauty, and all her paths are peace." In keeping with the traditional Benedictine motto, "Pax," St. Scholastica has chosen the second part of the verse for her motto. It reads in Latin: "Omnes semitae eius pacificae."

THE ACADEMIC PROCESSION

The traditional academic procession introduces many of the more formal and significant events at St. Scholastica as it does on most college and university campuses. Although the history of wearing distinctive apparel as an indication of scholarship and academic rank dates to the Middle Ages, the practice was not adopted in the United States until around 1900.

The cap worn almost universally in academic processions is the Oxford cap, commonly known as the mortarboard. It is almost always black.

The use of a dark robe in academic processions is thought to have arisen from the clerical practice of wearing a cape or mantle in religious processions in the 12th and 13th centuries when universities developed from cathedral schools. Traditionally, gowns are also black. However, a number of universities have adopted alternate colors.

The academic hoods, worn around the neck and down the back of the gown, are lined with the official colors of the college or university that conferred the degree. A blue and gold cord identifies faculty members who have received the Max H. Lavine Award, the College's highest award for teaching excellence.

HONORS FOR BACCALAUREATE DEGREES

A student whose cumulative grade point average is 3.90 or above graduates with highest honors (summa cum laude). These students are wearing a blue and gold double honors cord.

A student whose cumulative grade point average between 3.70 and 3.90 above graduates with great honors (magna cum laude). These students are wearing a blue double honors cord.

A student whose cumulative grade point average is between 3.50 and 3.70 graduates with honors (cum laude). These students are wearing a gold double honors cord.

Students achieving honors have met all degree requirements and have earned a minimum of 48 graded credits at The College of St. Scholastica.

SISTER BEVERLY RAWAY SCHOLAR

Our RN to BS academic honors program is named in tribute to Sister Beverly Raway, OSB. As a nursing faculty for over twenty years, Sister Beverly exemplified scholarship and academic excellence in her teaching and mentoring of students and as chair of the research and scholarship committee for Sigma-Theta Xi Chapter, an International nursing honor society. Sister Beverly shared her expertise in evidence-based practice with fellow graduates of the RN to BS program. Sister Beverly recently served as Prioress of St. Scholastica Monastery. A student whose cumulative grade point average in RN to BS program courses is 3.90 or above will graduate as a Sister Beverly Raway Scholar. Sister Beverly Raway Scholar recipients are awarded an apricot colored honor cord.

THE WEBSTER SCHOLAR

The title of Webster Scholar is awarded to students who have successfully completed the requirements for The College of St. Scholastica Honors Program. These requirements include earning a B or better in the requisite number of Honors courses and maintaining an overall GPA of 3.50 or higher. Honors courses require the students to become actively involved in their own learning. The Honors Program is named after Lee Webster, a much-beloved faculty member, whose untimely death from cancer deeply affected the College community. Webster epitomized the love of life and learning, and Honors Program graduates proudly bear his name. Webster Scholars are awarded a medallion and a gold diploma cover.

HONORS FOR GRADUATE DEGREES

Due to the academic standards required in the graduate programs at The College of St. Scholastica, all doctoral and master's students graduate with high academic achievement.
